AND YOU!**

Dear Friends

Well, Summer has arrived!!
Somehow, the past six months seem to
have gone in too quickly (maybe that's
what happens to life at 60 :)

Our Summer Worship will be at
10.00am every Sunday and will use a
mixture of Summer Service Sheets,
Powerpoint, the Prayer Book and
Church Hymnals. Most activities in the
Hall have closed for the Summer but
Slimming World, Boogie Fitness as well
as Chat & Craft will still be available.

The Vicarage refurbishment plans are
nearly ready for tender and we are
hoping the work will begin by mid
September. We will moving out at the
end of August into 1st Saintfield Manse.

In September, we will show the final
plans and will have an afternoon that
people can come to the Vicarage just to
see for themselves how everything will
change.

Have a good Summer and let's
continue to see each other in our
Church every Sunday to praise God,
hear his Word and pray together.

Blessings Chris

Youth Worker

Rose Armstrong

My name is Rose
Armstrong and I am
22 years old.
I am delighted to
be joining you at
Saintfield Parish as
your new youth
worker! I am from
Bangor and have
lived there my
whole life.
I studied Theology
at Union
Theological College
Belfast and it was here that I felt God call me
to youth work.

In my previous church I was a volunteer
youth leader for five years. This involved
planning many talks and activities for young
people, running small groups and Holiday
Bible Clubs, as well as planning bigger
events such as praise and prayer nights.

I have loved forming relationships with
young people in this church, having
intentional conversations as we worked
together to delve deeper into faith
and the Bible.

This past year, I have completed an
internship with a Christian charity, 'Made for
More'. This has involved teaching children
and young people about Jesus, alongside
workshops on mental health.

As I come to Saintfield Parish, I am looking
forward to making and building
relationships with the congregation as a
whole, while sharing and growing together
in God's Kingdom. I am excited to meet the
young people and learn alongside them
how we can all grow in faith together.

I would love if you could pray for me and the
young people as we begin this next step.

***I am so excited to come to
Saintfield and look forward to
meeting you all soon! Rose***

From Lucy Pollock

By the time you're reading this I will have hopefully arrived at my new home for 9 weeks.

I only was told last week that I'd been accepted

as a 'Culinary Arts' leader at Muskoka Woods, Ontario. So, since then it's been a whirlwind of booking flights, ensuring I had the necessary vaccinations and deciding what clothes to bring (probably the hardest bit for me!)

Muskoka Woods is a Christian camp for children aged 6 to 16 and I'm really excited about being part of it.

I would really appreciate your prayers for me during the summer - that I am safe, that I make new friends and that I make a difference to some of the children.

See you in September.
